December 14, 2010
Norbert & Suzanne Schnog Memorial Lecture

David Ryan, MD
Assistant Professor of Medicine, Harvard Medical School
Clinical Director, Gastrointestinal Cancer Center, Massachusetts General Hospital Cancer Center

An Update on Pancreatic Cancer

Needs: The treatment strategies and clinical advances in pancreatic cancer have continually evolved. This course will review the latest clinical and research advances.

Objectives: Understand the management of pancreatic metastases; to learn the treatment strategies for locally advanced disease; and to review the role of adjuvant therapy for pancreatic cancer.

There is No Corporate Support for These Activities.

Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

CME Credit: The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosures: It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

This course will fulfill the licensure requirement set forth by the State of Connecticut.
