October 16, 2012

Daniel Morgensztern, MD
Assistant Professor of Medicine (Medical Oncology)

Update on Head and Neck Cancer

Needs: Physicians and scientists need to understand the new therapy options and role of adjuvant treatments for head and neck cancers.

Objectives: To understand the indications for adjuvant therapy in head and neck cancers; to review the treatment options for locally advanced head and neck cancers; and to understand the treatment options for recurrent and metastatic head and neck cancers.

Wendell G. Yarbrough, MD
Section Chief of Otololaryngology, Professor of Surgery, Director of the Head and Neck Cancers Program

Head and Neck Preclinical Research at Yale University

Needs: This course will review the research goals for head and neck cancers at Yale.

Objectives: To understand the molecular defects in head and neck and salivary cancers; to review the rationale for targeted therapy for head and neck cancers; and to review modeling for head and neck tumors.

There is No Corporate Support for These Activities.

Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

CME Credit: The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosures: It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
